

## Janio and Thoughtworks Partner to Evolve Integrated Logistics Management Platform

April 27, 2023

SINGAPORE--(BUSINESS WIRE)--Apr. 26, 2023-- [Thoughtworks](#) (NASDAQ: TWKS), a global technology consultancy that integrates strategy, design and engineering to drive digital innovation, has been selected by [Janio](#), a cross-border, smart logistics service provider in Asia, as the preferred partner to consult and transform its current fourth-party logistics (4PL) operations platform.

Janio is revolutionizing the global e-commerce industry with cutting-edge technology and innovative solutions. Their vision is to be the ultimate 4PL partner of choice for e-commerce brands, logistics service providers and marketplaces, by leveraging supply chain expertise, advanced analytics and automation. With their digital-first approach and exceptional customer service, Janio is redefining what it means to be a 4PL provider and is leading the way in shaping the future of e-commerce logistics.

"Janio is committed to simplifying logistics and empowering businesses to scale their operations seamlessly, with end-to-end supply chain management services that optimize efficiency and reduce costs," said Junkai Ng, CEO, Janio. "By partnering with Thoughtworks, we're accelerating our path to technology innovation and helping our customers scale their operations faster and with greater efficiency than ever before."

"We are thrilled to work with leading logistics firm Janio, which is revolutionizing the sector and helping businesses enhance their supply chains across the Asia Pacific region and beyond. We are proud to be able to bring our deep digital platform and modernization experience and expertise in emerging tech, to support Janio in achieving their growth aspirations," said [Wong Wen Shun](#), managing director, Thoughtworks Southeast Asia.
