

## Thoughtworks Named a Top 15 Sourcing Standout by ISG

January 30, 2024

CHICAGO--(BUSINESS WIRE)--Jan. 30, 2024-- [Thoughtworks](#) (NASDAQ: TWKS), a global technology consultancy that integrates strategy, design and engineering, today announced it has been named a Top 15 Sourcing Standout by Information Services Group (ISG), a leading global technology research and advisory firm.

Thoughtworks was among the leading providers in the Breakthrough 15 category for the Americas region based on annual contract value (ACV) won over the last 12 months, according to the [4Q 2023 Global ISG Index™](#).

Now in its 85th consecutive quarter, the ISG Index™ provides an independent quarterly review of the latest sourcing industry data and trends. Each quarter it names the top 15 commercial providers in the Big 15 (revenues of more than \$10 billion), Building 15 (revenues between \$3 billion and \$10 billion), Breakthrough 15 (revenues between \$1 billion and \$3 billion) and Booming 15 (revenues of less than \$1 billion) categories in the Americas, EMEA and Asia Pacific regions. Each top 15 category includes providers that compete in the traditional sourcing market, as well as those that compete in the as-a-service market, including IaaS and SaaS providers.

"We are honored to be recognized as a Breakthrough 15 in the Americas by Information Services Group (ISG)," said [Craig Stanley](#), regional managing director, Thoughtworks North America. "As a pioneer of the leading engineering practices that have revolutionized software development, we help our clients gain the maximum business value from their digital assets with [Thoughtworks DAMO™ managed services](#) (Digital Application Management and Operations) and a broader portfolio of professional services."

Thoughtworks' inclusion in the ISG Index™ is based on data the company submits to ISG each quarter.

"The ISG Index™ is recognized as the authoritative source for marketplace intelligence on the global technology and business services industry," said Paul Reynolds, chief research officer of ISG. "Thoughtworks continues to establish itself as a leading and growing player in the global market for next generation professional services, based on its volume of business in relation to other industry providers."
