

Thoughtworks Recognized as a Visionary in 2024 Gartner® Magic Quadrant™ for Custom Software Development Services, Worldwide

October 22, 2024

CHICAGO--(BUSINESS WIRE)--Oct. 22, 2024-- [Thoughtworks](#) (NASDAQ: TWKS), a global technology consultancy that integrates strategy, design and engineering, today announced it was positioned in the Visionaries Quadrant in the [2024 Gartner® Magic Quadrant™ for Custom Software Development Services, Worldwide](#).

Thoughtworks has connected strategy to execution, using cross-functional teams of strategists, designers, software engineers, data scientists and other specialists to deliver value to over 300 current clients, including global enterprises and technology disruptors, at scale. Consistently pioneering technology-driven business change, Thoughtworks helps solve clients' most complex problems in [cloud](#), [platforms](#), [data and analytics](#), [AI](#) and [customer experience and products](#).

"Thoughtworks is at the forefront of the AI-enabled software and data engineering space, helping our clients to drive business innovation and create sustainable competitive advantages," said [Mike Sutcliff](#), chief executive officer, Thoughtworks. "We believe that the positioning of Thoughtworks as a Visionary in the Gartner Magic Quadrant is a testament to the extraordinary impact we deliver for our clients. Through our strategy, technology excellence and proven experience, we expedite their legacy modernizations and move GenAI projects from pilot to production with greater transparency and reliability."

Gartner evaluated 20 vendors for its report on the custom software development services market which it defines as "development of software in rapid increments and iteration of custom applications and software products specifically for an organization to satisfy its unique business needs." The full report is available [here](#).
